

Sponsoring TICTeC Local

TICTeC Local brings together those interested in and working on digital innovations that are transforming local government and communities. Previous TICTeC Local attendees have included:

- Local council decision makers: e.g. from digital, customer service, IT, transformation teams including Digital Transformation Leads, Chief Digital Officers etc.
- Government ministries and agencies
- Researchers from leading universities and academic institutes
- Digital solutions providers
- Funding organisations
- Civil society organisations

Supporting TICTeC Local gives sponsors the opportunity to engage with these highly motivated individuals who are actively seeking innovative digital solutions to combat social issues, make savings and foster more meaningful engagement.

Thank you [@mySociety](#) & [@markcridge](#) for bringing together a really interesting mix of people for [#TicTecLocal](#) - a good "systemic mix" (that's clearly a naff term) of city gov, local gov, community groups, design agencies, charities, foundations, central gov and corporates 👍🌟

Congratulations Mark and the team* for a really engaging and thought-provoking day. A distinctive event in the calendar, actually, and I hope it can persist and repeat in future. [#TICTeCLocal](#) (*especially Gemma)

"It was fantastic to hear the views of people leading the digital future, and meet likeminded and interesting people."

"I loved the breadth of perspectives and insights which were interesting and thought provoking in equal measure. A great balance of new ideas and practical solutions"
